**More businesses choose SingTel for better value.**

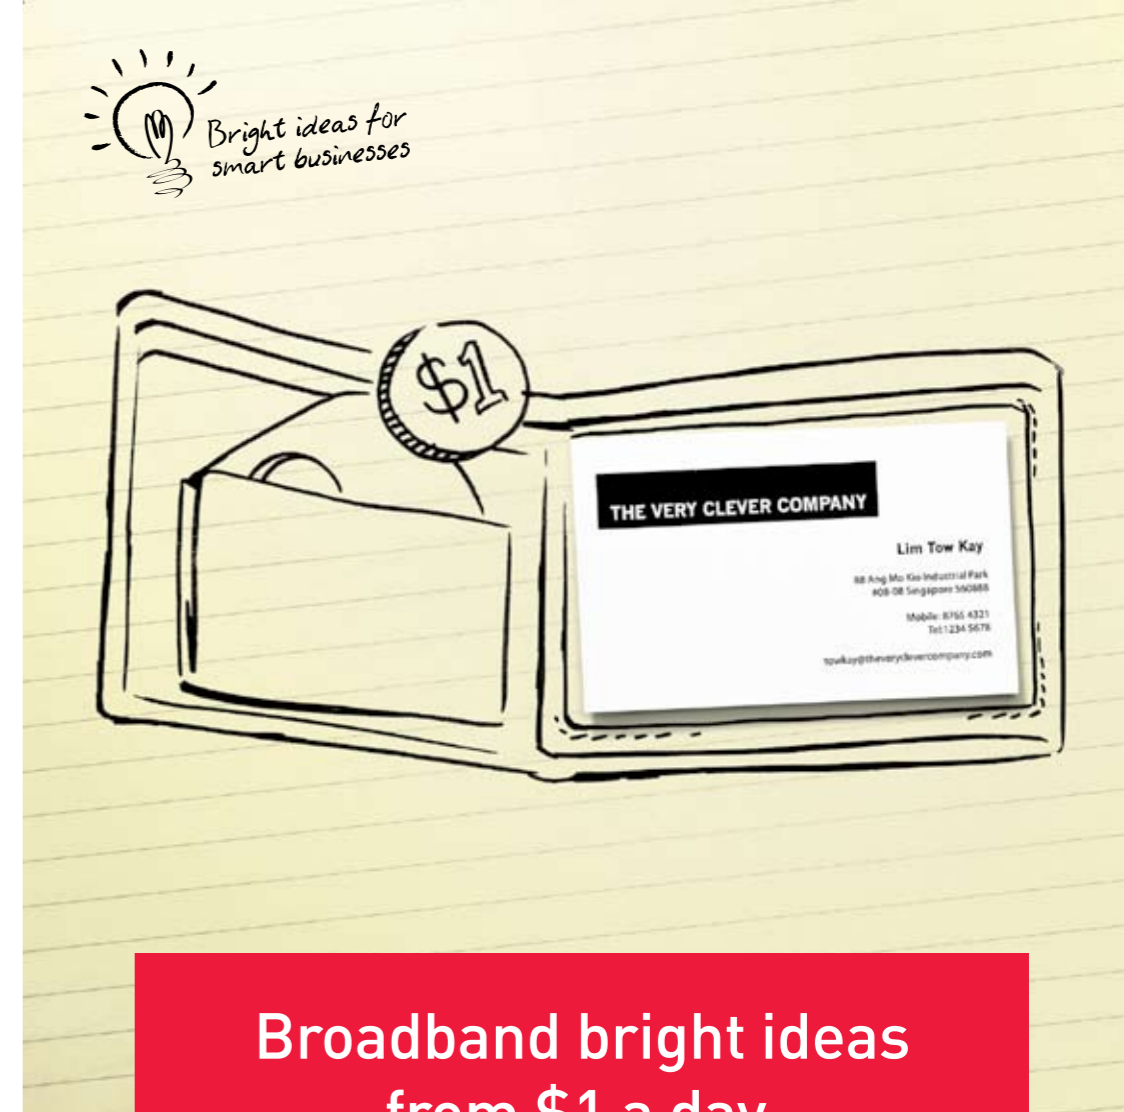

ONE Bill > ONE Hotline > Fixed line > Mobile > Data > Internet > Business applications

**Terms and conditions**

Promotion valid till 30 November 2009 and applicable to new and existing business-registered customers eligible for renewal of plans. Minimum contractual period of 24 months and early termination charges apply. One-time charge applies to all offers unless otherwise stated. Promotional subscription will revert to prevailing list price when contract ends. Non-SME Infocomm Package (SIP) price for 1.5Mbps, 4Mbps and 10Mbps Business Broadband plans without BizWeb Plus are available at \$99, \$128 and \$208 per month respectively. Provisioning of Business Broadband is subject to coverage/resource availability. **Mobile:** Offer for new business mobile sign-ups or existing business customers whose last handset upgrades were at least 21 months ago. All voice and data excess charges will be borne by the customer. **Email and Webhosting:** Customers are required to provide a company domain name to enjoy free email and webhosting service. Domain name registration and annual subscription are chargeable by the respective registrars. **IT Assist:** A Dr Digital service provided by Courts (Singapore) Limited. Scope of service specified in the Service Agreement provided by Dr Digital is non-transferable. **SME Infocomm Package:** This IDA SME INFOCOMM PACKAGE (SIP) grant is subject to IDA's eligibility criteria and approval. The IDA SIP Grant is 80% off Business Broadband monthly subscription (promotion price only) rate for 12 months (capped at \$2,000 per BRN). In the event that the SME customer terminates, upgrades or downgrades the plan within the 12 months, IDA Grant amount has to be paid back in full to SingTel. The 80% IDA Grant applies to SingNet service. All SingTel's Terms & Conditions of Service(s) apply, as listed in www.singtel.com/general\_t&cs. All prices include 7% GST. SingTel reserves the right to amend, change or withdraw any term and condition without prior notice.

\*\*Prices will vary depending on your choice of mobile plan/BroadBand on Mobile plan.

 Bright idea on how to outsource your tedious HR tasks.

## HR ASSIST

Automate your HR tasks for greater accuracy and efficiency. HR Assist handles your payroll processes and procedures including, submissions to CPF Board, IRAS and Bank GIRO. It also consolidates data in a single database, eliminating manual and tedious tasks.

### Features:

- › 5-user licences
- › eLeave module
- › Web-based automated HR tool
- › ePayroll module

 Bright idea on how to protect your business against Internet threats.

## DESKTOP SECURITY

Protect your business against Internet threats without having to pay upfront investments on security infrastructure and equipment. Desktop Security allows you to add users according to your business needs. With 24/7 overview of your company's data security status via the Online Management Portal, you'll be assured a peace of mind.

### Features:

- › 5-user licences
- › Anti-virus – Prevent your computer from crashing due to virus attacks
- › Anti-spyware and desktop firewall – Protect your business data from being stolen or destroyed by malware
- › 24/7 automatic security update against new threats

 Bright idea on how to ensure important data are never lost.

## AUTO-BACKUP

Protect your information from on-site file loss, theft and fire with Auto-Backup. Scheduled back-up ensures that your data is automatically updated on a timely basis. There is no need for external storage devices or for a dedicated IT staff to manage data backup within the office. What's more, your data is restored with just one click.

### Features:

- › 5-user licences
- › File encryption for secured transfer and storage
- › Secured offsite 2GB storage at SingTel

 Bright idea on how to enjoy hassle-free IT support all year round.

## IT ASSIST

Save on the cost of hiring a full-time IT staff. Plus, you'll receive diagnosis and advice on the right treatment for all your IT needs.

### Features:

- › 4 times on-site support, maintenance and troubleshooting
- › Unlimited all-year-round phone-in assistance for any number of computers

 Bright idea on how to instantly expand your customer reach globally.

## BIZWEB PLUS

Promote your business online 24/7, while cutting down on your overall advertising cost. BizWeb Plus lets you easily manage and edit your web content and gives you access to make changes from anywhere, anytime. You'll have complete control over access rights to your website. What's more, you have the option to add-on web pages or storage space as your business grows.

### Features:

- › 500MB web space, 100 web pages
- › Content management system
- › 30 customisable design templates
- › Page counter
- › Message board
- › Webpage search
- › Calendar
- › RSS feed
